Fixed Hand Truck with Dual Grip Handles and Large Baseplate

Standard fixed aluminum frame, stress resistant, for **general hand truck** use. It offers maximum shock absorption and durability. The **dual grip handle** comes with an E4 (44") channel extension. The total hand truck height with this handle is 48". A **cast aluminum nose plate** is 18" wide by 7.5" deep with a recessed heel. This truck features **lightweight, strong non-marking wheels**. The round tread provides easy rolling. Our customers LOVE this wheel. Sealed ball bearings. Maximum hauling weight for hand truck frame and nose plate is 500 lbs. although the wheels have a capacity of 600 lbs. per wheel if used in another application.
