Large RWM Convertible Hand Truck with Pneumatic Wheels

Product Number: HC1-CA2-FN2

Price: \$265.95

WAS: \$325.99

Professional grade large convertible hand truck standard frame is made of strong, lightweight aluminum quality construction for durability and a long service life. This hand truck features an easy 2 step process to convert the hand truck into a platform truck. These handtrucks can support 500 pounds in the hand truck position and 1,000 pounds as a platform truck. This is an extremely well made and versatile handtruck, and is a favorite with professional route drivers, general delivery and warehouse personnel.

Gray comfort grip strip on the handle provides protection to the hands when it's cold outside and for a solid grip. Industrial solid rubber 5" x 1.5" black casters that offer great floor protection and are quieter than steel casters, are strong and chip resistant.

This workhorse of a handtruck comes with our most popular 10" full pneumatic wheels, a great general purpose wheel with a 4 ply, 2 piece hub, zerk fitting and ball bearings for easy rolling! Our popular hand truck comes with a strong cast aluminum nose plate that is 18" wide by 7.5" deep with recessed heel. Professional route delivery drivers use this truck. Quality RWM construction to last for years to move furniture, appliances, vending items and alot of boxes. It is certainly one of the best handtrucks on the market at a great price.
