Small Convertible Hand Truck with Solid Deck and a Brake

Product Number: HC6-EA3-FN2-B3(1)

Price: \$269.95

WAS: \$385.95

Small convertible hand truck with a solid aluminum deck made of a heavy gauge aluminum sheet that is permanently affixed to the truck to allow transport of smaller and odd shaped items. Our most popular **10" full pneumatic wheels** that are a great general purpose wheel with a 4 ply, 2 piece hub, zerk fitting and ball bearings for easy rolling come with this truck! This truck also features an **industrial strength extruded aluminum nose plate** that is 14" wide by 9". This plate mounts on the front of the truck frame. This truck features one face contact brake for the convertible caster. If you want two brakes, see model # HC6-EA3-FN2-C3(1), or build your own custom hand truck on our site! Maximum hauling weight for hand truck frame and nose plate is 500 lbs. in the upright position and 1,000 lbs. in the platform position.
